Fyi,

thanks.....Darrel

EPA's mission is to protect human health and the environment

My name is Tasha Caldwell and I serve as the Menominee Intergovernmental Affairs Manager for my tribe, Menominee Indian Tribe of WI. I am writing to ask you for assistance in requesting a meeting between the Menominee Tribe's Chairperson and Region 5 Administrator. The purpose of the meeting is to discuss the Tribe's concerns regarding the Mine permitting for the Back 40 Project located in Michigan.

Thank you in advance for any assistance you can provide on this would be helpful.
